The week of January 14th, we will be administering the state IStation benchmark assessment to all kindergarteners. This assessment will be scheduled one of the days that week and takes approximately 30-40 minutes. The assessment tests the students on listening comprehension, phonemic awareness, letter knowledge, and vocabulary. Some students will be assessed on first grade skills that may include alphabetic decoding, comprehension, and spelling. Please make sure that your child gets plenty of rest and attends school daily so that he/she can perform his/her best on the assessment. As always, if you have any questions or concerns, please let us know how we can help you!

Kinder Parent Teacher Conferences
Kindergarten teachers will be conducting parent/teacher conferences beginning in January (earlier than specified on the district calendar). Parents and/or Guardians will soon be receiving written notification with further information by the homeroom teacher.

Play is an important part of every Pre-K Day!

Not chaotic, out of control play - but high level, engaged and productive play. Also, ample time is devoted to such play, with teachers facilitating and supporting children as they play.

Box Tops for Education and Popcorn and Pickle Sales

We are collecting Box Tops for Education at BECC. We are selling pickles and popcorn for \$1.00 each on Wednesdays for kindergarten and Thursday for Pre-k (pre-k students need to bring in their money on Tuesday). All proceeds will sponsor class field trips, student incentives, family activities/functions, and Promise to Graduate. Please help support BECC!

Dear Bloomfield School District Family,

Greetings from Striving Readers Comprehensive Literacy Program (SRCL)! We are reaching out to all families with children ages 0 month to 5 years old (60 months) to offer literacy-based educational visits from a certified parent educator. Families will receive age-appropriate literacy information to prepare your child to successfully enter the classroom. Early intervention and support are key factors to the educational success for students. Enrolled families will be set up with home visits and/or scheduled to attend the in-class family connection group meetings. If you are interested in receiving more information about the SRCL program, feel free to give us a call at 505-632-4369.

Thank you for your time.

Sincerely,
Teri Atcitty
Home Literacy Specialist
